【1】次の対話文は「英語を学ぶことは大切である」という意見について、英語の授業中に4人のグループで行った英語での討論(debate)の一部です。これを読み、あとの問いに答えましょう。  
〔長文を読み取り、まとまりのある文章を書こう〕

Yuji: English is important now. We can talk with people living in foreign countries.  
So, we should study English harder at school.

Ruri: I agree with Yuji. If we can speak English, we may be able to do a lot of jobs.  
I want to go abroad and work with people in different countries. So I will study  
English harder than I do now.

Miki: I don't think so. Japanese is a more important language for us.  
We must have our own ideas and opinions to talk about various  
things. We can do it if we study Japanese harder.  
After that, we can study foreign languages.

Koji: I think so, too. We live in Japan and speak Japanese every day.  
We have to try to use more beautiful Japanese.

Miki: You are right! Many great Japanese people who went abroad in the old days had a  
lot of knowledge about their own language. They didn't speak any foreign languages.  
But thanks to that knowledge, they could learn a lot of things from foreign people.  
They were also able to tell foreign people about Japanese culture and history.  
They could communicate with them well.

Koji: Yes. I have often heard of them.

Yuji: I agree that it is important for us .  
Languages help people come together.

Ruri: Yes! We have to study Japanese and English. We can learn a lot of things from  
both languages. Now we can use the Internet and send e-mails to people all  
over the world in English. If we can use English well, we can tell them about Japan  
and ourselves more in English.

Mr.White:

OK, you did a great job. All of you have good ideas. In Japan, you spend a lot  
of time using Japanese. So, Japanese is the most important language to you.  
But, if you can use English well, you can communicate with people all over the  
world. That's fun. I want you to study both. I think both languages will be  
important to you in the future.

foreign : 外国の      own : 自身の      be able to : ~ができる      various : さまざまな  
knowledge : 知識      thanks to ~ : ~のおかげで  
come together : 一つになる      communicate : 意思疎通する、理解し合う
